Barack Obama may be widely regarded at home as the least pro-Israeli president in decades, but he has secretly okayed giving the Jewish state a bunch of special bunker-busting bombs – ideal for destroying Teheran's ruling mullahs' nuclear ambitions and so powerful that George W. Bush blocked handing them over.

The Bunker Busting Bombs are capable of penetrating deep beneath the surface, crucial for any air strikes at Iran nuclear sites. Mr. Netanyahu has wanted the bunker-busters for years and, as first reported by Newsweek, Mr. Obama agreed to hand over 55 of the sophisticated and powerful weapons.
